

7" EDGELESS LED DOWN LIGHT

SURFACE MOUNT

FM-EL7-CCT-BK

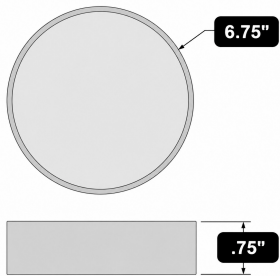

PROJECT

DESCRIPTION

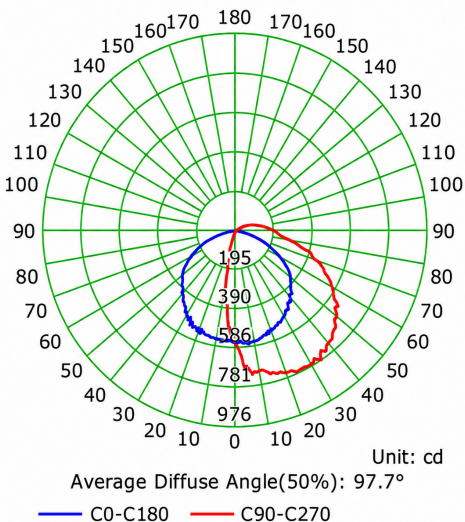

Our 7-inch Edgeless Surface Mount LED Light delivers a sleek, modern appearance with exceptional lighting performance for residential and commercial applications. Featuring 15 watts of energy-efficient LED power and 5CCT selectable technology (2700K, 3000K, 3500K, 4000K, and 5000K), it allows users to easily choose the ideal color temperature for any space. This fixture is ETL Listed and rated for wet location installations, making it suitable for bathrooms, covered outdoor areas, and other moisture-prone environments. It is also California JA8 compliant, meeting the latest Title 24 energy efficiency requirements while providing long-lasting, maintenance-free illumination with a clean, trimless design that blends seamlessly into any décor.

SPECIFICATION DETAILS

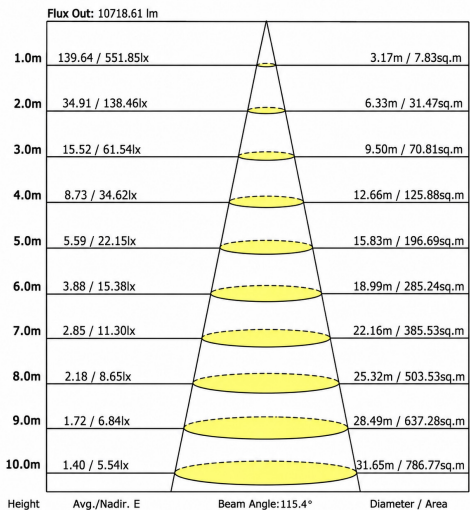

Dimensions	W6.75" x H.75"
Power	15W
Total Lumen	1180lm
Delivered Lumen	825lm
