

DESCRIPTION

Introducing the Deep Dip 1-Inch Recessed Aluminum Channel, a refined addition to the Dip family designed for versatile modern lighting. This low-profile channel integrates LED strip lights flush with walls, ceilings, or furniture, offering a sleek, seamless look. Its deeper recess enhances light diffusion, reducing glare and creating a subtle, smooth illumination. Made from durable aluminum, it ensures superior heat dissipation, extending LED lifespan and maintaining optimal performance. Ideal for both residential and commercial spaces, the Deep Dip channel provides a minimalist aesthetic with improved light distribution.
