

300W UFO HIGH BAY / 3CCT / SELECTABLE WATTAGE

BLAZE 300W

RY-UFO02-300W-H-3W3CCT

PROJECT

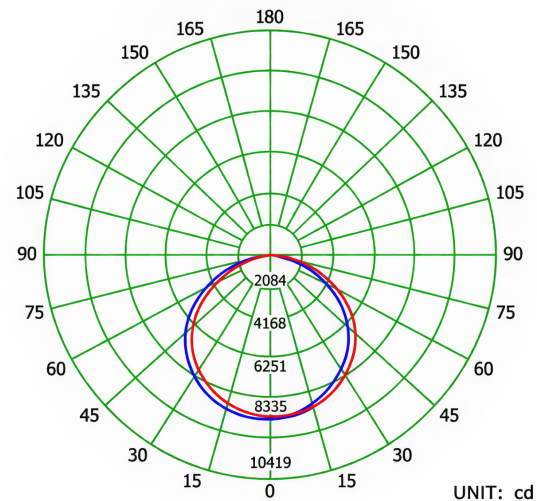

DESCRIPTION

The Blaze 300W UFO LED High Bay delivers powerful, energy-efficient illumination for warehouses, manufacturing facilities, gyms, and other high-ceiling commercial spaces. It features 3 selectable CCT options and selectable wattage for added flexibility, with an optional motion sensor available for enhanced energy savings and control. The fixture is ETL Listed and California Title 24 compliant, providing reliable performance while meeting current safety and energy-efficiency requirements

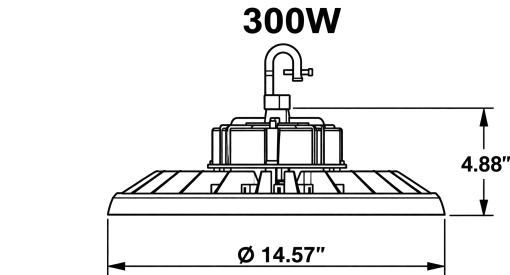

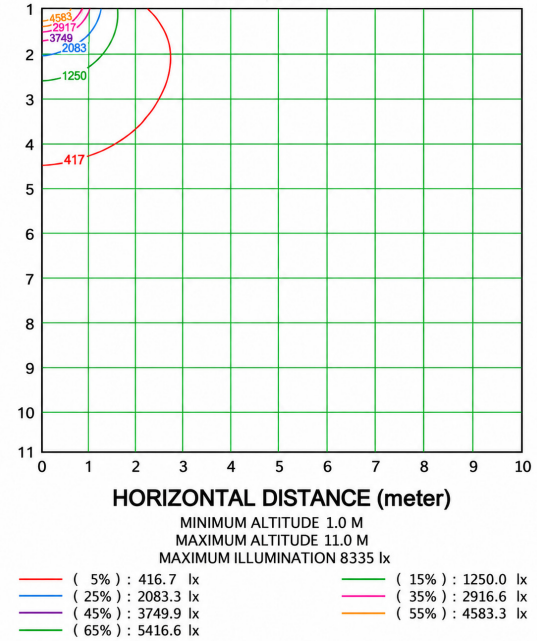

SPECIFICATION DETAILS

Input Voltage	120-277 VAC
Light Source	AC LED Module
Power	260W -280W-300W
Total Lumen 260W	36400lm
Total Lumen 280W	36200lm
Total Lumen 300W	42000lm
Color Temperature	Selectable CCT 3000K/4000K/5000K
CRI (Ra)	80+CRI
LED Rated Life	50,000 + hours
Dimming	0-10V
Diffuser Details	Frosted PC Diffuser
Beam Angle	110°
Mounting	Ceiling
Finish	Architectural Black
Illumination Direction	Diffused
Construction	Die-Cast Aluminum
Sensor	Optional Plug & Play
Standards	ETL Wet Locations IP65 JA8
