

VERSA-SMD-R5-10W-3CCT-BMS

DESCRIPTION

The Versa Bi-Level Motion Sensor Disk Light by Rayco Lighting is a versatile and energy-efficient solution designed for modern lighting needs. Featuring a built-in motion sensor, this fixture offers bi-level dimming, automatically adjusting brightness based on occupancy to maximize energy savings. With 5CCT selectable technology (2700K, 3000K, 3500K, 4000K, and 5000K), it allows for customizable color temperatures to suit any environment. Fully dimmable, this disk light provides smooth lighting control, enhancing comfort and ambiance. It is also JA8 compliant, meeting California Title 24 energy efficiency standards for high-performance and sustainability. Ideal for hallways, closets, kitchens, and commercial spaces, the Versa Disk Light delivers reliable, flicker-free illumination with an ultra-slim, modern design that seamlessly blends into any ceiling.

FEATURES

- Bi-Level sensor switch
- Sleek and ultra thin profile
