EX-COMBO-WET-G

DESCRIPTION

Illuminate safety with the LED Exterior Combo Exit Sign by Rayco Lighting, a robust and reliable solution designed for the toughest outdoor environments. This advanced fixture combines a highly visible LED exit sign with an integrated emergency light, powered by a dependable 90-minute battery backup to ensure guidance during power outages. UL listed for wet locations, it withstands moisture and harsh weather, making it ideal for parking garages, warehouses, or building perimeters. Crafted with energy-efficient LEDs and a durable construction, this combo unit delivers long-lasting performance and compliance with safety standards, reflecting Rayco Lighting's commitment to excellence and innovation in every detail.

SWITCH TEST

- In AC operation, press the test button to test in emergency mode.
- In an emergency operation, press the test button but it does not work.

TECHNICAL SPECIFICATION

INPUT WATTAGE	120-347 VAC 60Hz
BATTERY	Maintenance free 3.6V 1000mAh
BATTERY TYPE	NiCad
CHARGING TIME	>24 HOURS
ILLUMINATION	Long-life, high-intensity LEDs
DISCHARGE TIME	90 Min
LEGEND	Fully illumined 6" Charecters
HOUSING	Molded thermoplastic ABS HOUSING
OPERATING TEMP	32°F to 104°F
SAFETY	Meets NFPA 101 Sfty
FINISH	White
WATTAGE	4.8W
NOTE	NEC, OSHA
VERSETILITY	Selectable single-/double-face
DIMENSIONS	12.60"x13.14"x2.5"
LED INDICATOR	Green indicator
OPERATING TEMP	(32°F~ 104°F) 0~40°C
RATING	UL 924
WARRANTY	5 year limited

INSTALLATION

Wall & Ceiling. Sides, and back mounting option

KEY FEATURES

- Selectable Single and Doubleface
- 90 min Battery
- Selectable Green or Red Letters

ELECTRICAL

This fixture is built with the highest quality 120V drivers, ensuring energy efficiency.

EMERGENCY HEADS

2X2.4W fully adjustable heads

LISTING

UL listed for wet locations
