RY-2H-TRIMLESS-BK

DESCRIPTION

Enhance your space with this 2-head trimless LED recessed light, designed to deliver a clean, modern appearance with exceptional lighting performance. Featuring 5CCT selectable color temperatures (2700K, 3000K, 3500K, 4000K, and 5000K), it allows you to customize the ambiance to suit any residential or commercial application. Its trimless design creates a seamless finish that blends perfectly into the ceiling, while the fully dimmable LED technology provides smooth brightness control. ETL Listed and rated for wet locations, this fixture is ideal for bathrooms, kitchens, covered outdoor areas, and other moisture-prone environments, offering reliable, long-lasting illumination with a sleek architectural look.

BASED ON SAMPLE SETTING ACTUAL LUMEN MAY VARY.
