

VERSA 7 INCH COMBO WITH BI-LEVEL SENSOR / EMERGENCY

SURFACE MOUNT

RY-SMD-R7-15W-3CCT-MS-EM

PROJECT

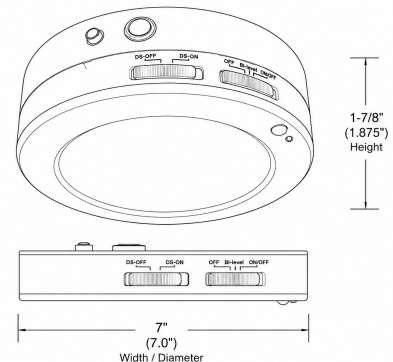

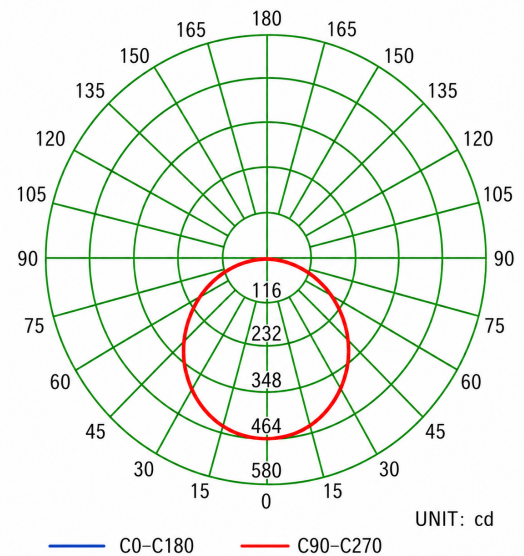

DESCRIPTION

The VERSA 7-Inch Surface Mount LED combines advanced safety, energy efficiency, and intelligent lighting control in one sleek fixture. Featuring an integrated BI-LEVEL motion sensor and emergency battery backup, it provides reliable illumination during both everyday operation and power outages, making it an ideal solution for corridors, stairwells, multifamily housing, commercial buildings, and other code-required applications. The fixture offers 3CCT selectable color temperatures (3000K, 4000K, and 5000K), allowing easy field adjustment to suit any environment. ETL Listed and rated for dependable performance, the VERSA is also California JA8 compliant, meeting Title 24 energy efficiency requirements while delivering long-lasting, maintenance-free LED illumination in a clean, low-profile design.

SPECIFICATION DETAILS

Dimensions	W7." x H1-7/8"
Power	15W
Total Lumen	1250lm
Delivered Lumen	1235lm
Input Voltage	120V AC 60Hz AC
Color Temperature	Selectable CCT 3000K/4000K/5000K
CRI (Ra)	80+CRI
LED Rated Life	50,000 hours
Dimming	Triac
Diffuser Details	Frosted PC Diffuser
Beam Angle	120°
Motion Sensor	Bi-Level motion sensor & ON/OFF
Finish	Architectural White
Illumination Direction	Down
Construction	Composite + PC
Emergency	90 Minutes battery back up
Light Source	AC LED Module
Rating	IP20 Damp Location
Standards	ETL / Energy Star/ JA8
